Our staff team also:

What we can offer your child

Our aim is to provide a high quality, safe and caring environment that provides opportunities for stimulating play, for children aged 2 to 11 years of age. Our practice is underpinned by the Early Years Foundation Stage principles and Playwork Principles to enrich and enhance children's play and learning supported by professional early years & playwork practitioners.

We have three separate rooms equipped to meet the needs of different age groups along with lots of outdoor space to play:

- Our Ladybirds Room is the base for children in nursery and reception. Play opportunities are structured around the Early Years Foundation Stage (EYFS) to enhance learning and development.
- Our Tigers Room is the base for children in Years 1, 2 and 3. There is plenty of space for a range of activities.
- Our Sharks Room is the base for children in Years 4, 5 and 6. Children have access to a pool table and table football as well as quiet space and art & craft activities.
